Equipment Notes

Is this a Spare Part?

boo Spare? booSpare

Service Priority

Service Interval (Days) 30	Next Service Date <input type="text" value="01/10/2012"/>	<input type="button" value="+ Add New Service"/> <input type="button" value="Edit Service"/> <input type="button" value="Delete Service"/>	Equipment <input type="text" value="BBQ"/>
-------------------------------	--	--	---

Service Date	Technician	Service	Notes
12/11/2011	George	Install	Notes are for the installation of the BBQ
9/10/2010	Billy Goat	Replace	The goat is a wonderful worker. I don't have to pay him, only wi...
9/10/2007	Smoky Joe from ...	OTHER	this is getting weird

Sample report below showing ALL of the service records for ALL of the pieces of equipment.

- However the records below are only a partial example of the records.
- The last 2 records are SPARE parts which I do not want to show up on the report
- I could have lots of spare parts and eventually I will want to create a report showing only those records.
